[Truly Madly Deeply Faraaz Kazi Pdf 102](#)

Preeti Thaker moves to Mumbai to put behind a painful childhood, plagued adolescent years, and the recent death of her only support system – her brother. She is on the verge of ending it all when the doorbell rings. Little does she know that answering it will change her life forever! The guy on the other end of the door will offer solutions to all her problems, but in the process, she will end up losing the only thing she had never lost till date – her heart!

Inspired by the true story of an artist who found that love was the only colour missing from the palette of her life, **Meant to be Together** is a tale of love, friendship, courage, determination and above all, hope. Hope that makes us look for the rainbow when it rains, and for the stars when it is dark.

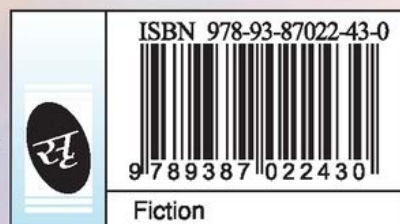

Termed as 'the Nicholas Sparks of India', Faraaz Kazi is a multi-national award-winning writer based out of Mumbai. He has previously written three bestselling titles. His first book **Truly Madly Deeply** is soon to be adapted on the big screen. Kazi loves to read when he's not writing.
